

OUR CLOSE CALL CONTRACT

We hereby acknowledge that:

- we live in a *Close Call Culture*
- it is normal to feel attracted to members of the opposite sex
- these attractions can be secretly cultivated and developed if we don't share them with each other

As a result, I promise to:

- tell you when I feel attracted to a particular individual
- listen to you if you feel someone is attracted to me
- listen to you with respect when you share an attraction

I further promise:

- not to react angrily to this information
- to discuss openly and honestly with you what this attraction represents
- to work enthusiastically with you to adjust our relationship to better meet our identified needs
- to never knowingly cultivate a heterosexual friendship
